

AMBA and MAPP Partner with PLASTECH West/MD&M West

FOR IMMEDIATE RELEASE

January 28, 2019

Indianapolis, IN – The American Mold Builders Association (AMBA) and the Manufacturers Association for Plastics Processors (MAPP) in partnership with PLASTECH West/MD&M West, is excited to host a joint Happy Hour reception on Wednesday, February 6, 2019 from 3:30 pm to 5:00 pm, where mold builders and plastics processors will have an opportunity to mingle business with beer. The reception is sponsored by several AMBA partners and/or MAPP sponsors, including iD Additives, HASCO, Mueller Prost, Progressive and Sigma Plastic Services Inc. The reception will take place at Booths #805 and #803.

PLASTECH West/MD&M West is a Plastics Today event where serious professionals find the technologies, education, and connections to stay ahead in the global advanced manufacturing community.

“Partnering with a tradeshow like PLASTECH West/MD&M West provides both AMBA and MAPP with an exciting opportunity to support an environment where we and others can learn more about the challenges and solutions available in our industries, while connecting and networking with other industry professionals,” said Troy Nix, AMBA and MAPP executive director.

For more information about the tradeshow, including 3D Printing and Smart Manufacturing Innovations Summits, the MD&M Medtech Conference and free industry education at the Expo, visit <https://plastecwest.plasticstoday.com/>.

About AMBA

The American Mold Builders Association (AMBA) is the only organization dedicated to elevating the competitive advantage of U.S. mold builders. AMBA provides workforce development initiatives, networking, benchmarking opportunities and industry promotion. AMBA members receive a variety of additional benefits, including access to cost-reduction programs, visibility to mold buyers and problem-solving resources that give members a competitive advantage.

To learn more about AMBA membership and ongoing initiatives, visit AMBA.org.

About MAPP

Established in 1996, the *Manufacturers Association for Plastic Processors* is managed by plastics business leaders and has over 430 member companies nationwide. The

association works to provide manufacturers with bottom line impacting programs, networking, and additional beneficial services. www.mappinc.com.
