TOOLS FOR SCHOOLS GRANT APPLICATIONS NOW AVAILABLE

Help your local high school improve its manufacturing program.

The Chicago Chapter is offering grants up to \$1,500 to schools in need of funds to purchase materials used in manufacturing curriculum or towards professional development in teaching manufacturing curriculum. Schools must be within a 30-mile radius of a Chicago member company, and must be offering manufacturing related curriculum. Feel free to share the link below with your local high school and encourage them to apply. The link is also available at www.moldyourcareer.org. While there is no deadline for the filing of applications, schools are encouraged to apply early as limited funds are available.

SUMMER BBQ & UNIQUE VEHICLE SHOW JULY 18TH

Don't miss this "member favorite" event as our friendly gearheads share their love of hot rods, antiques and classic automobiles at Medinah Banquets on Thursday, July 18, 2019, from 5:30-8:30 p.m. The number and variety of vehicles increases each year, so even if you have attended in the past, there will be something new this year to see! Exhibition is from 5:30-7:00, followed by a BBQ feast and short chapter meeting. Special thanks to [Boride Engineered Abrasives](#) for sponsoring the event.

HELP RAISE FUNDS FOR THE EDUCATION EFFORTS

Just a reminder about the MOLD YOUR CAREER REWARD Program that [Quality Tools](#) offers for the Chicago Chapter. When purchasing your supplies through QTA, mention the program, and the Chicago Chapter will receive 10% of the profits to use towards its efforts in promoting mold manufacturing. An easy way to help your chapter! Many thanks to QTA for the ongoing support.
