

MAXIMUM IMPACT MARKETING

The American Mold Builder introduces a fresh approach to reporting on the latest market trends, technologies, products/services and AMBA news. With a quarterly circulation of 5,250, *The American Mold Builder* is one of the industry's leading sources for US mold building news and technologies.

Each magazine is available in print and digital editions and is packed with information on technology advances, operational challenges, industry benchmarks, management topics and production efficiencies.

MARKETING OPPORTUNITIES

- **DIGITAL EDITION.** Recognizing the mobile nature of today's businesses, the magazine is available online through a digital edition. Ads in the digital edition feature a direct link to the advertisers' websites, with opportunity to upgrade to a video overlay or embed. The digital edition averages 3,400 page views each month.
- **BONUS DISTRIBUTION.** Advertisers maximize their presence at industry tradeshows and AMBA events with bonus distribution throughout the year. See the editorial calendar for more information.
- **ADVERTISERS INDEX.** Advertisers are listed in a user-friendly index (in alphabetical order), including page number of ad(s) and website address for easy access.
- **PRESS COVERAGE.** Gain additional exposure through advertiser-specific news releases (as submitted) in both *The American Mold Builder* and online *EBeat*.
